Learn more about the new environmentally friendly, anti-corrosive finish of the Chinese malleable fittings.

**NOTE: PLEASE SEE SEPARATE SHEET FOR MERCHANT COUPLINGS**

Legend Valve malleable fittings are boxed in sturdy corrugated inner cartons with detailed description, color-coded label, and UPC bar code. Although you do not have to adhere to inner carton quantities when ordering, productivity studies have revealed that for sizes 2" and under, it has been proven to be advantageous for you to do so.
