

TM-550

The Legend TM-550 Softouch™ Multi-Turn, Frostfree Sillcock.

- Easy to grip, Softouch™ handle is made of metal, coated with Thermoplastic Rubber (TPR) which is UV and weather resistant.
- Easy to turn Multi-Turn for precise control of flow.
- Heavy pattern design.
- Extra hose threads ensures better hose engagement.
- All chrome plated brass body and tube is more durable, corrosion resistant and assures long life.
- Integrated vacuum breaker with chrome plated brass cap.
- Oversized flange with closed slots for mounting screws that has 5% pitch to facilitate proper drainage.
- Knurled end less than 1-1/8" in diameter makes the TM-550 or TM-550NL ideal for replacement applications. End marked "top" and "down" for easy positioning when installing.
- Extended solder cup isolates inner components from excess heat during soldering.
- 1/2" PEX and combo ends, 1/2" MNPT/Sweat and 3/4" MNPT/FNPT, available in 4" to 14" lengths for both traditional and no lead brass models.
- Handle can be removed to prevent unauthorized use. Lockshield fits standard 1/4" loose key.
- ASSE 1019 certified and rated at 6.3 gpm at 25 psi.

No Lead version of the TM-550NL utilizes no lead brass alloy and is third party certified, ANSI/NSF 61 G.
